

"There is no better place to take the kids than Play(sp)here on a rainy Sunday afternoon. Their programs are both educational and fulfilled. I have to admit that even I have a great time in the ball pit - it makes me feel like a kid again! Every time we go, we always walk away with memories that last a lifetime."

"Play(sp)here is my favourite place to go after school! I love playing in the ballpit. It is so much fun! The things we learn here are great too, it is so much better than school! I wish I could spend everyday here."
