Mary Sue Smith – *Elementary School Teacher*

"Play(sp)here is amazing, educational experience that I bring my class to whenever I can. I have never seen the kids more engaged on any other field trip than at the Play(sp)here. They always come back full of smiles and bursting to share what they learnt! What's more, the Play(sp)here offers countless curriculum-based activities, so you can always come back for more.

Bobby Joe – *Working Father*
